

Physiotherapy Home Visits

Feel Better, Stay Active – All From the Comfort of Home!

At Kingaroy Chiropractic & Wellness, we understand that life gets busy, or sometimes mobility can make it challenging to attend appointments. That's why we're bringing expert physiotherapy care straight to your doorstep!

Why Choose Home Visits?

- **Convenience:** No need to travel; we come to you!
- **Comfort:** Receive professional care in a familiar environment.
- **Personalized Treatment:** Tailored exercises and therapies designed for your space and needs.
- **Holistic Approach:** Collaborating with you to achieve your wellness goals.

Our Services Include:

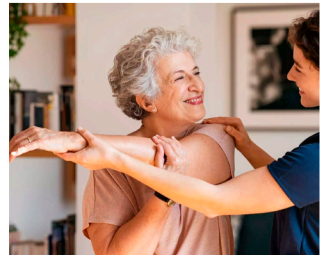

- ✓ Pain Management for conditions like back pain, arthritis, or injuries.
- ✓ Rehabilitation post-surgery or injury.
- ✓ Strengthening and Mobility Programs.
- ✓ Balance programs and management of falls risk.
- ✓ Guidance for managing chronic conditions.

Who Can Benefit?

Seniors or individuals with reduced mobility.
Patients recovering from surgery or injury.
NDIS participants

How It Works

- 1. Book Your Visit:** Call us to enquire about home visits.
- 2. Assessment:** A thorough evaluation of your needs.
- 3. Tailored Care:** A personalized physiotherapy plan delivered at home.

Let's work together to restore your movement and improve your quality of life – right where you are!

We accept My Aged Care packages, Medicare CDM Plans, NDIS, Private health funds and DVA.
